Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

ISLE OF MISFITS 4: THE CANDY CANE CULPRIT (PAPERBACK)

Little Bee Books, United States, 2019. Paperback. Condition: New. Freya Hartas (illustrator). Language: English. Brand new Book. After a few successful missions, the misfits have made quite a name for themselves! This time, their help is requested by a very special VIP. Can they find out who the candy cane culprit is? After how well they did helping a leprechaun, trolls, and a cyclops during their last few assignments, the misfits are tapped for another mission! And not just any mission, but a top-secret one for a very special someone. This time, they're headed to the North Pole! Santa is dismayed because toys are being broken and candy canes are being stolen every night. The elves tell them of a local legend who they think is responsible: a great, big monster that roams the mountain, but Santa is not so sure. All he knows is that they're in danger of not having enough toys in time for Christmas! Will the misfits be able to crack the case and save Christmas?.
