John Wiley & Sons Inc, United States, 2010. Paperback. Condition: New. Language: English. Brand new Book. Kaiser Permanente has implemented the largest nongovernmental electronic health record in the world, serving more than 8.6 million Kaiser Permanente members. Called KP HealthConnect, its impact on patient care outcomes, efficiency, safety, and patient engagement and satisfaction already is of intense interest throughout the health care industry. In this volume, Louise L. Liang, MD, who led the massive KP HealthConnect implementation, collects lessons learned from the organization's successful deployment strategy and highlights ways in which the new technological tools are changing and improving - the health care provided to patients and the operations and culture of the organization. Advance praise for Connected for Health "Health care transformation requires leadership and innovation. Connected for Health clearly shows there is no shortage of either at Kaiser Permanente. This is a must read for policy makers and practitioners as the lessons are of critical value if we are to achieve quality, affordable care for Americans." H.Stephen Lieber, president and CEO, Healthcare Information and Management Systems Society "Connected for Health shares what Kaiser Permanente has learned so far in tapping the vast potential of electronic health records to improve care and expand the frontiers of medical research. It is a journey that should be of great interest to policy leaders in the United States and around the world." Karen Davis, president, The Commonwealth Fund "This book is destined to become an important part of the critical dialogue on what reforming our health care system really means." James J. Mongan, MD, Professor of Health Care Policy and Social Medicine, Harvard Medical School "Connected for Health shows how KP HealthConnect is facilitating great team-based care, getting quality right every time, getting patients activated, and freeing caregivers to connect as true...
